

I wanted to take a moment and tell you what K-LOVE radio means to me and my family. K-LOVE offers us an alternative to secular music stations. I don't have to worry about what is going to be said on the air. It is safe for my two daughters to listen to every day. If K-LOVE were not on the air, we simply wouldn't listen to the radio. With all of the struggles in the world, K-LOVE offers an encouraging place to go. It provides the positive and uplifting things that we need from day to day. I believe in K-LOVE so much that I support it financially on a monthly basis. It would be a major loss for this community if K-LOVE was displaced by other programming.
